RTRFM'S FULL FREQUENCY PRESENTS ALTERED STATES

RTRFM's flagship dance music program *Full Frequency* will come to life at **Altered States** – a huge night showcasing Perth's thriving house, techno and electro scene with an all-out assault on the dance floor on Friday 17 May at Geisha Bar.

World-class producer **Joe Starwarz** headlines the bill, bringing his gorgeously blissed-out sonic terrain of ambient-house and various flavours of techno that feature on his releases with premier Scottish techno label *Soma Records*.

Reece Walker returns from honing his skills in the European home of Techno – Berlin – to deliver a live show with new collaborator **Emerald Cabal** (aka Alex Campbell) bursting with slamming house assaults, glitched out industrial textures, and squelchy acid rave.

Emerging beat maker **Basic Mind** is the solo moniker of local producer Tim Loughman; expect spaced-out melodic compositions and left field beats that take techno and turn it on its head.

The **Altered States** line-up also features Perth's finest house and techno music DJs delivering as diverse and eclectic array of sounds as the *Full Frequency* program itself.

Performing on the decks will be **Allstate** – the solo DJ moniker of Jeremy Martin, Dario Krsic aka **El Dario** – winner of the Perth Dance Music Awards (PDMA) House DJ 2012, *Full Frequency*'s Thursday presenter **Declan Doherty** and Tuesday presenter **Craig Hollywood** (winner of the PDMA Best Techno DJ 2012).

"If, at any point during three and five o'clock in the afternoon you're either on a major coffee high or struggling to focus on the computer screen, then flick to RTRFM for an instant office disco." SIX THOUSAND
