FOR IMMEDIATE RELEASE

AMPLIFIER BAR GETS A DOSE OF RAW POWER COURTESY OF RTRFM

RAW POWER will see **some of Perth's hardest, fastest and loudest perform** at Perth live music mainstay **Amplifier Bar** on **Saturday, 14 March**.

On the line-up for RTRFM's third fundraising event for 2015 are **Rubber Daddy, The Shakeys, Emu Xperts, Bläckwitch** and **Skullcave**; with blistering punk rock interludes on the decks from RTRFM's **Burn the Airwaves DJs** and Friday *Out to Lunch* presenter, **Sandy**.

The loud, cavernous force of nature that is **Skullcave** will mesmerise with their hypnotic blend of **stoner rock riffs and powerful doom metal**.

Prepare for an intense sonic assault from regional terrors **Bläckwitch**, who **balance elements of doom metal with hardcore punk**.

Loud, fast and crackling with intensity – **Emu Xperts embody punk rock in all its rawness**.

Garage punk quartet **The Shakeys** will bring **snarling punk attitude and their classic '70s sound** – which nods to The Stooges, Radio Birdman and The Saints – to the stage.

With enigmatic vocals from frontman The Latex Prince, **Rubber Daddy** promise a **chaotic set of unforgettable noise... and fetish gear**.

This is not for the faint of heart.

Doors open at 8pm with bands and DJs 'til midnight. Turn it up to 11 with **RAW POWER!**
