THE RTRFM BLOCK PARTY AT 2013 BEAUFORT STREET FESTIVAL

Behind a big red building, down a laneway and in a grand car park, you'll find the best party at the Beaufort Street Festival this year – The RTRFM Block Party on Saturday 16 November from 1pm to 9pm.

Escape the madness on the main street and get to know your neighbours at The RTRFM Block Party. The space will be decked out for good times with cold beverages, shelter from the sun, and upbeat sounds spun by RTRFM DJs **Arn One, Gareth Richardson, Super-J** and **Aarom Wilson**.

Perth's upcycling mavens **Project Blak** will transform RTRFM's car park into a cozy backyard party filled with curbside gems and old-school furniture, perfect for relaxing with your friends as the day sets over Beaufort Street.

Entry is free so make your way to RTRFM's Block Party via Lois Lane, down the Daily Planet Café laneway.

Be sure to get down early on Saturday afternoon to nab your spot at The RTRFM Block Party at this year's wildly popular Beaufort Street Festival.

WHEN: Saturday 16 November 2013, 1pm – 9pm, Free Entry

WHERE: RTRFM Headquarters, 642 Beaufort Street, Mount Lawley (enter via Lois Lane)
