

Policy Statement
GIVEAWAYS

Giveaways on all programs must be scheduled through one of the Sponsorship Managers. Two week's notice is generally required to enable subscribers' adequate time for collection for performance ticket giveaways. At least one week's notice is required for all other giveaways.

The Station reserves the right of placement of the giveaways. Once giveaways are scheduled, tickets pertaining to the event/CDs etc must arrive at the Station, no later than previously specified by the Sponsorship Manager.

Under no circumstances can unscheduled tickets/CDs/promotional material be given away on-air. This particularly applies to last minute interviews whereby artists/interviewees allocate presenters with last minute tickets to productions.

This must be held and scheduled at a later date by the Sponsorship Manager.

Giveaways can only be given away to current subscribers or listeners willing to become a subscriber. Giveaway can not be given away to members, general listeners or subscribers that have won a giveaway in the last 30 days. Office volunteers will check this information during office hours and will contact non-subscribers or multiple winners.

The caller must be the subscriber winning the prizes, they can not transfer the prize to another subscriber card that the caller holds, and this includes family and pets.

'Collection Details' on the giveaway form must be strictly adhered to at all times by the presenters. Under no circumstances should the presenter state that he/she will make alternate collection giveaway arrangements, such as postal arrangements.

If the caller appears to have a serious dilemma with the giveaway collection arrangement, he/she should call the Office Manager during office hours. The Station reserves the right to say no to any giveaways, particularly where the above mentioned procedures are not followed.
